

Meet Eve, WA's first community energy sharing network

Eglinton Village is designed to help you get a little more from life. With the launch of WA's first community energy sharing network, there are even more benefits available to residents.

With Eve (Eglinton Village Energy, a Zenith Energy subsidiary), you have the option to host solar panels on your roof, for no upfront cost. That's a little more energy savings, a little more value, and a little more environmental benefit - all ready to enjoy.

20% cost savings* on your energy use

No upfront costs

No ongoing maintenance or repair costs

A sustainable choice

3-phase provision to lot connection point

Choice to participate

More opportunities to invest back into the home build

^{*}Should you choose to participate savings are calculated on consumption. Based on an average household, 20% approximately equates to \$372.00 savings per annum. There will be no added costs related to the solar panel installation or ongoing maintenance. Solar panels will be owned by the network owner and operator. Eve (Eglinton Village Energy, a Zenith Energy subsidiary) is based on Gross Metering. Terms and conditions of participation available on application.

ABOUT ZENITH ENERGY

Zenith Energy is one of Australia's leading independent power producers (IPP's), with a portfolio of off grid, hybrid power solutions in Western Australia and the Northern Territory, totalling approximately 700MW of contracted generation capacity.

Zenith Energy's subsidiary Zenith Micro-Grids is the owner of several licensed electricity distributors and retailers in Western Australia that service residential, commercial, and industrial customers within the SWIS via connected microgrids. This includes Eglinton Village Energy, Ocean Reef Renewable Energy and Peel Renewable Energy, the latter two being

the owners and operators of the microgrids that services DevelopmentWA's Ocean Reef Marina and Peel Business Park prospectively.

Zenith Energy's majority shareholders are some of Australia's largest private equity and infrastructure investors, Pacific Equity Partners, OPTrust and the Foresight Group who in aggregate have over A\$55 billion of funds under management.

HOW IT WORKS
